TRANSMITTAL OF MISSING DECLARATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Following up on our Status Letter of April 29, 2002, enclosed herewith is the missing
declaration and associated fee for \$130.00.

On November 7, 2002, the undersigned assistant spoke with an individual in the art
unit and learned that when the application was electronically filed, apparently the declaration
did not bundle with the rest of the application and thus, was not received by the Patent Office
as indicated on the attached "Acknowledgement Receipt".

It is assumed that this application is now complete and can be moved forward in its
prosecution.

Respectfully submitted,

Ernest A. Beutler
